

Restrictions on Freedom

Directions: On the Venn diagram below, list the ways in which Huck's freedoms were restricted living with the Widow. In the bottom circle, list the ways his freedom was limited while living with Pap. In the center list the freedoms that were denied him in both situations. At the bottom of the page, do a Quickwrite on the following topic: Which of these two living situations would Huck say gave him the most physical, spiritual and emotional freedom and why. Use the back if necessary.
