DETROIT, MI. (AP)--A tank full of chlorine gas ruptured at a swimming pool jammed with about 300 people swimming in it on Wednesday, resulting in over 140 people being sent to local hospitals.

The leak occurred just after 12:00 noon at Sweetwater Park.

MT PLEASANT--A local man was in rather stable condition with an injury to his backbone last night at Central Mich. Commun. hospital following an airplane crash in Midland, Michigan which also caused injury to his wife too.

John and Peggy Stewart, 58673 East Maple Street, both were injured when the plane that Mrs. Stewart was piloting crashed while in the process of landing at Barstow Airport on Tues. at 4:00 p.m. last evening.
